

# EASTCAPE & KAROO SAFARIS RECOMMENDED FORLOH GEAR

Eastcape & Karoo Safaris, a South African Hunting Outfitter business, was established over 20 years ago and is owner operated by Ashley Hobson and Dale Cunningham. Eastcape & Karoo Safaris recently hosted Andy Techmanski, the founder of FORLOH, on a memorable safari where we tested various FORLOH clothing items to see which clothing is best suited the African conditions. We are pleased to offer our clients a unique opportunity to purchase FORLOH gear at 20% off. See code below. Enjoy!

03

## 01 | STRETCH WOVEN GEAR

These do-it-all pants and jackets work for any weather, any terrain, anytime. They offers 4-way stretch and are water resistant in a mid-weight fabric. Pants come with integrated knee pads.

## 02 | ALLCLIMA BOOT GAITERS

The protection you need when scrambling up mountains or making your way through the brush.

## 03 | CAMO MESH HAT

Highly breathable and perfect for active hunts.

04

05

## 04 | SOLAIR LIGHTWEIGHT GEAR

Stay cooler, drier, odor-free, and protected from the sun with this lightweight technical fabric. Complete with an industry-leading 50+ UPF rating and FORLOH's flagship cooling technology, brrr® Pro, cooling minerals are embedded into the fibers of the fabric. Available in shirts, pants, shorts, neck gaiters, boxers, technical hoodies and more.

## 05 | BTM PRO PANT

Durable, military-proven nylon/cotton ripstop fabric with an abrasion-resistant paraffin wax emulsion treatment for true 'Brush To Mountain' protection. These pants are full of featuers including a pocket for molded knee pads. Re-apply the wax for extra protection from the elements. (Knee pads and wax sold separately.)
